

Chapter Map Directions - SAVE ALL YEAR!

Section 1 - Chapter Outline

Outline the chapter by writing the titles of each section and subsection. The following is an example from Chapter #3:

- I. The Rise of Sumer *(Title of Section 1)*
 - A. City-States *(1st Red subsection)*
 - B. Religious and Family Life *(2nd Red subsection)*
 - C. Priests and Kings *(3rd Red subsection)*
- II. Later Mesopotamian Empires *(Title of Section 2)*
 - A. Sargon I *(1st Red subsection)*
 - B. Hammurabi of Babylon *(2nd Red subsection)*
- III. Contributions *(Title of Section 3)*

Section 2 – Vocabulary (bold and italicized)

Find the definitions for all **bold** and *italicized* words in the chapter. Number the vocabulary words and write the word followed by its definition.

Section 3 – People to Know

You need to find a unique fact for each of the people in the “People to Know” list on the first page of the chapter. A unique fact is a fact that is only true of that one person in all of recorded history. For example: George Washington – First President of the United States. The answer would not be unique without the word “First.”

Section 4 – Map

Redraw the map in the chapter. Be sure to color the sections of the map that are in the key. **NO MARKERS!** You do not need to color the open land or water. Your map must fill at least half the page. All features and keys need to be labeled.
