

List-Group-Label

What were the **Roman** people like?

soothsayers	shoes	freedmen	afterlife	cattle
omens	infantry	slaves	laws	apartments
catacombs	sun dried bricks	gladiators	provinces	baths
Forum	barter	messiah	general	Senate
floods	aqueducts	monks	blacksmith	stadiums
calendar	census	necropolis	servants	temples
timber	dictator	republic	tax collector	crops
arch	divine	tariffs	gold	merchants
walled cities	Emperor	veto	sheep	gymnasium
foreign policy	horses	wheat	gods	farm

Use **List-Group-Label** to sort the list of words into groups. Label each word with some sort of graphic design such as □, ◆, or ●. Then assign each graphic a label. For example: □ clothing, ◆ food, ● religion, etc.

Based on the words commonly used by the Roman people, and your labeled groups of words, what were the Roman people like?
